RELATIONSHIP BETWEEN COMPLIANCE IN DRUG USE AND THE SUCCESS OF ANTIHYPERTENSION THERAPY IN THE INSTALLATION OUTPATIENT CARE AT TAWANGSARI COMMUNITY HEALTH CENTER, SUKOHARJO

The screenshot displays a journal submission interface. At the top, the manuscript title is "A RELATIONSHIP BETWEEN COMPLIANCE IN DRUG USE AND THE SUCCESS OF ANTIHYPERTENSION THERAPY IN THE INSTALLATION OUTPATIENT CARE AT TAWANGSARI COMMUNITY HEALTH CENTER, SUKOHARJO" by Epaphroditus et al. The interface includes tabs for "Submission", "Review", "Copyediting", and "Production", with "Production" being the active stage. A "Submission Files" section lists a file named "Science and Community Pharmacy Journal template.docx" with a download button. A "Pre-Review Discussions" table shows a comment from "ovikariani2710" dated "2024-11-05 09:34 AM". On the right, a "Participants" section lists "Gilang AlFarizi" as the "Journal editor" and "Ovikariani Ovikariani" as the "Author". A "Submission published" message is also visible.
